Representative Eric Swafford lead the fight to place the “Marriage Protection Amendment” on the ballot this year. On November 7th, you can vote to protect marriage and our values, and re-elect Representative Swafford.

Some support “civil unions” for same sex couples, and even outright marriage by gays. We cannot protect our values while redefining what marriage is.

Representative Eric Swafford shares our traditional values. As a husband and father he understands the importance of the institution of marriage to our society. If you support the traditional definition of marriage between one man and one woman, vote “yes” on Amendment 1.
