# SENATOR JIM TRACY

A proven record of hard work and real solutions for our families.

*Jim Tracy sponsored the Long Term Care Choices Act: giving families the choices they need.*

Jim Tracy believes our senior citizens should enjoy their golden years in the dignity of their own home. That's why he sponsored the Long Term Care Choices Act. This law permits seniors the option of choosing in-home health care over nursing homes.

Many seniors need more care than a family member can provide, but they may not need nursing home care. Jim's plan permits seniors to direct funds to in-home care needs such as:

- **Personal care services**
- **Homemaker services**
- **Home-delivered meals**

This law also rewards those who purchase private long-term care insurance by permitting them to retain their assets when they receive care funds.

## Leadership. Commitment. Solutions.
